The Campus Security Act (also known as the Clery Act)

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal law which requires colleges and universities to publish an annual security report containing campus security policies and procedure, as well as crime statistics. In addition, the Higher Education Opportunity Act (HEOA) 2008 requires colleges and universities to publish an annual fire safety report on student housing containing information with respect to the campus fire safety practices and standards of the institution. The Clery Act was enacted in 1990, and amended in 1992, 1998, 2000, and most recently in 2008. All statistics in this Annual Security Report are presented and updated in compliance with all amendments to the act.

GCU follows the requirement of Clergy-mandated Annual Security Act:

- The Office of Campus Safety & Security (Director, Mr. Samuel Kim) is responsible to inform and educate GCU students, faculty and staff about the prevention of crimes. The Director presents the entire student body the crime presentation programs and how to report any campus crimes (“Guidance for Campus Safety & Security”) during the chapel hour once a semester.
- GCU hires local security officers from the Infinity Solutions Security to patrol the Campus and protect students and all other constituents. The officers can arrest and retain an individual for 40 minutes until the local law enforcement arrives at the Campus.
- Publish an annual report every year by November 1 which contains the most recent three years of campus crime statistics and certain campus security policy statements around our campus areas.
- Publish crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. (The statistics is gathered from local law enforcement and other University officials who have “significant responsibility for student and campus activities”).
- Publish “timely warning” notices where a crime has occurred on or near campus that, in the judgment of DPS, constitutes an ongoing or continuing threat to members of the University community with individual or office responsible for issuing the warning.
- Annual security report is available for all of our student, faculty, and staffs
- The GCU works with other administrative departments and law enforcement agencies — such as The Dekalb County Police Department ensure safety within the campus. We encourage all the members of the University student, faculty and staffs to use this report as a guide for safe practices on and off campus.
